## PORTRAIT POLICIES

### SESSION LOCATIONS

Unless otherwise specified, travel to all sessions within a 30 mile radius of Salt Lake City is included. For desired locations 30+ miles outside Salt Lake City, travel fees may apply. You may shoot at more than one location during your session, but travel time between locations will count against your total package time.

### OUTFIT CHANGES

Outfit changes are allowed and encouraged for sessions 2+ hours, however time spent changing is counted towards your total package time.

### DIGITAL FILES

All sessions include a DVD with the full-res proof digital files from your session + a print release. I will also include any artist choice edits that I do for my blog. If you'd like to request that a specific file be edited, you may do so for a rate of \$25/file. These edits will be available to download online.

### RETAINER FEE

A \$125 non-refundable retainer is required to book your session. Your remaining balance, including a 6.85% UT sales tax, is due at your session.
